[L.S.] W. C. WOODWARD,  
*Lieutenant-Governor.*

CANADA:

PROVINCE OF BRITISH COLUMBIA.

GEORGE THE SIXTH, by the Grace of God, of Great Britain, Ireland, and the British Dominions beyond the Seas, KING, Defender of the Faith, Emperor of India.

To all to whom these presents shall come—  
GREETING.

A. W. GRAY, { WHEREAS the Wynndel Irrigation District is an improvement district under the "Water Act, 1939," and was constituted by Letters Patent issued on the twentieth day of April, 1932:

And whereas by section 50 of the "Water Act, 1939," authority is given to recall the Letters Patent of an improvement district and to issue in their place other Letters Patent:

And whereas we have thought fit, by and with the advice and consent of Our Executive Council, under and by virtue of the powers and authorities in that behalf enabling, to recall the Letters Patent of the Wynndel Irrigation District and to issue in their place these Letters Patent:

NOW KNOW YE that by these presents We do hereby order and proclaim that:—

1. The incorporation of the Wynndel Irrigation District is continued.

2. The territorial limits of the said Wynndel Irrigation District hereafter comprise the following lands in Kootenay District and Nelson Land Registration District; namely, Lot 279; Lot 191, except Parcel 1 thereof, being a 6.1-acre parcel situated near the south-west corner of said Lot 191; Sub-lot 48 of Lot 4595; Sub-lot 150 of Lot 9551; Sub-lots 134 and 135 of Lot 9552; Lots 3, 6, 7, 8, 9, 10, 13, 14, 16, 17, and 18, Registered Plan 864; Lots 1, 3, 5, 7, 9, 11, 13, 15, 17, 19, and 21, Registered Plan 970; Lots B, C, D, and E, Registered Plan 1489; Lots 1, 2, 3, and 4, and Parcels A and B of Lot 7, Registered Plan 1585, and Lot 25, Registered Plan 1464.

3. The objects of the said Wynndel Irrigation District, hereinafter referred to as the "district," shall be the acquisition, maintenance, and operation of works for the diversion, storage, carriage, and distribution of water, the generation, transmission, and distribution of electric energy, and the drainage of land, and all matters incidental to any of the foregoing.

4. Subject to the provisions of clause 6, the district shall provide one point of delivery for each parcel of land which was shown as a separate parcel in the records of the Land Registry Office on the first day of August, 1931. The acquisition and operation of all works for carrying the water from the point of delivery provided to the place of use and for utilizing the water and for taking care of any surplus

water shall be the duty and liability of the owner of the land upon which the water is authorized to be used.

5. The district may provide an additional point of delivery for any parcel of land upon the owner making written application therefor and paying to the district such sum as to the Trustees appears just and reasonable, and the district may thereafter charge against the land affected and the owner thereof a special annual toll for the maintenance and operation of the works made necessary to comply with the said application, in addition to all other taxes, tolls, rentals, and charges payable in respect of the said land.

6. There shall be no obligation upon the district to supply water for the irrigation of any land not heretofore irrigated, but water may be supplied to such land if the Trustees deem it in the interest of the district to do so, and higher tolls may be charged in respect of such water than are charged for the same years in respect of water supplied for the irrigation of other land in the district.

7. For the purpose of assessment and taxation, land that is supplied or capable of being supplied with water from any stream may be classified into different grades from those into which land that is supplied or capable of being supplied with water from any other stream is classified.

8. There shall be three Trustees of the district and the said Trustees shall from time to time be chosen as hereinafter provided at general meetings of the district by the owners of land in the district who are entitled to vote in any Provincial general election. For the purposes of this and the following clauses the word "owner" includes every registered owner entitled to possession of land in the district and every person who makes and files with the secretary to the Trustees a statutory declaration proving that he has acquired land in the district, is in actual occupation of it, and is liable for the taxes that may be levied on or in respect of it.

9. The trustees shall at least once in every thirteen months call a general meeting of the owners of land in the district and at every such meeting shall report to the said owners on the works, operations, assets, and liabilities of the district. At least fourteen days' notice of every general meeting shall be given by mail or by posting in conspicuous public places.

10. The owners present at any general meeting shall choose a chairman and secretary for the meeting and the persons so chosen shall be chairman and secretary respectively of the next succeeding general meeting until a new chairman and secretary have been chosen.

11. The owners present at every general meeting shall choose a Trustee or Trustees to fill any vacancy or vacancies that have occurred or are about to occur among the Trustees and the said owners shall fix the remuneration to be paid the Trustees until the next general meeting. In the event of the right of any person to vote at any general meeting being challenged the chairman shall have authority to determine whether or not such person is entitled to vote on any matter, and the chairman may require such person to make and file with him a statutory declaration proving the declarant's qualifications. Forthwith after the holding of any general meeting the Trustees shall file with the Comptroller of Water Rights a true copy of the minutes of the meeting.

12. The persons qualified to be elected to and to hold the office of Trustee shall be such as are owners of land in the district, qualified to vote in a Provincial general election, and are not indebted to the district in respect of taxes or tolls that have been owing for more than twelve months after the registration of the by-law under which the taxes or tolls are levied or fixed.

13. Upon any Trustee ceasing to have the aforesaid qualifications he shall thereupon be disqualified to act as a Trustee and his place on the Board of Trustees shall be vacant.

14. When any vacancy among the Trustees occurs between March first and August first in any year the Trustees shall within one month call a general meeting for the purpose of having the vacancy filled.

15. The Trustees of the district now in office shall continue in office until the termination of their respective terms of office, and all by-laws, resolutions, the assessment roll and the collector's roll shall continue in effect until amended, repealed, or otherwise superseded.

16. The assets, rights, claims, and financial obligations of the district shall be unimpaired by the recall of the former Letters Patent and the issue of these Letters Patent.

IN TESTIMONY WHEREOF, We have caused these Our Letters to be made Patent and the Great Seal of Our said Province to be hereunto affixed.

WITNESS, the Honourable WILLIAM CULHAM WOODWARD, Lieutenant-Governor of Our said Province of British Columbia, in Our City of Victoria, in Our said Province, this twenty-second day of May, in the year of our Lord one thousand nine hundred and forty-two, and in the sixth year of Our Reign.

By Command.
